

Experience the Power of LeadingAge Membership

Maximize your LeadingAge membership by creating or logging into your *My LeadingAge* account to unlock access to member-exclusive resources, networks, and opportunities. Your *My LeadingAge* account connects you and your organization with timely, relevant information and expands your ability to network with your LeadingAge community of 6,000 service providers.

Getting Started

Visit Community.LeadingAge.org to create or log into your *My LeadingAge* account to:

- Participate in the online *My LeadingAge Member Community*.
- Manage your e-communication preferences.
- Register for conferences and online opportunities in the Learning Hub.
- Gain access to member-only content.
- Update your contact information.

Managing Email Communications

You are in control of what and how often you receive e-communications, all from your *My LeadingAge* account!

1. Visit Community.LeadingAge.org and enter your *My LeadingAge* credentials.
2. Click the *My LeadingAge Account* tab at the top of your screen.
3. Navigate to the *My Communication Preferences* on the left sidebar.
4. Select the subscription(s) you would like to receive.
5. Click *Save Your Changes*.

Engaging in the *My LeadingAge Member Community*

The *My LeadingAge Member Community* is where LeadingAge members across the country connect with one another online to exchange knowledge, solve problems, and share resources. With more than 25 groups to join, the *My LeadingAge Member Community* offers a space for peer-to-peer networking on opportunities, challenges, and priorities relevant to your work.

Joining one or several groups is easy!

1. Visit Community.LeadingAge.org and enter your *My LeadingAge* credentials.
2. Click the *Groups* tab at the top of your screen. Ensure the list view is set to *Active Groups*.
3. Browse the available groups.
4. Select the group of interest and click the *Join Group* button.
5. Explore recent activity, including posts, announcements, and resources.
